

## CQMS RAZER (CR) HOUSE RULES – SOCIAL MEDIA

We encourage you to leave comments, photos, and videos on any of our social media sites. However, we will review all comments and will remove any that are inappropriate, offensive, or contain external links. We will leave what you share that relates to the subjects covered on our social media pages. Please understand that a comment posted to our social media pages does not represent the opinions of CR.

### CQMS Razer (CR) Company Terms of Use

The CR Company social media pages are intended to provide a place for the general public to discuss CR products and news feeds. All comments, visuals, videos and other type of material posted by members of the general public (including customers of CR) on this site ("User Content") do not necessarily reflect the opinions or ideals of CR, its employees or affiliates. CR (a) does not represent or warrant the accuracy of any statement or product claims made here, (b) is not responsible for any User Content on this site, and (c) does not endorse any opinions expressed on this page.

All users must comply with all social media Terms of Use and CR's Terms of Use for CR social media pages. CR does not monitor every posting of User Content on the CR social media pages. CR expects, however, that users will not post any materials that fall into any of the following categories and may have removed any materials that:

- Defame, abuse, harass, stalk, threaten or otherwise violate the legal rights (such as rights of privacy and publicity) of others.
- Publish, post, distribute or disseminate any defamatory, infringing, obscene, indecent, misleading or unlawful material or information.
- Upload or attach files that contain software or other material protected by intellectual property laws (or by rights of privacy or publicity) unless you own or control the rights thereto or have received all necessary consents.
- Upload or attach files that contain viruses, corrupted files, or any other similar software or programs that may damage the operation of another's computer.
- Delete any author attributions, legal notices or proprietary designations or labels in any file that is uploaded.
- Falsify the origin or source of software or other material contained in a file that is uploaded.
